

We welcome you to join us beginning Monday, June 1st as we are offering three programs to those experiencing divorce and recovery.

The **Divorce Care** video series

For those experiencing divorce and separation
A 13 week series with a different topic each week

The **Boundaries** video series with companion book
Deals with the foundations of healthy relationships and is a follow up to the Divorce Care series

Moving Forward After Divorce book study

As the title denotes, this book is targeted to those who are looking to move past the initial trauma, and go forward with their lives.

Topics include: raising healthy and mature children, choosing to remarry (or not!), and discovering God's role in this new phase of our lives.

All groups will meet at 7pm for refreshments and fellowship in the church Parlor and then break off to different rooms. There is no cost to attend. Please feel free to come whenever you can - and bring a friend!

Please call the church main office at 655-1451 for more information or to register.
